EDITORIAL PHILOSOPHY

Arabian Knight magazine is a curated collection of exclusive interviews, special features and reports. The magazine, launched in the late 1990s, highlights a wide range of influential personalities, from business to culture, who have achieved success and contributed to the economic and social developments shaping the Arab world.

Arabian Knight is circulated to the business and political leaders of the Arab world. These are the individuals who by definition shape the destiny of the Middle East through their influence and wealth.

The Arabian Knight typically will be a King, Princess, Sheikh, Sheikha, Prince, Minister, Chairman or CEO. They may be a technocrat, an academic, philosopher or a philanthropist who has achieved the highest level of success in their chosen field. Their sophisticated tastes and highly discerning interest in the very best products and services available is respected by the magazine's rich and varied content, which is always illustrated with stunning photography.

The publication is supported with a dedicated and dynamic website – www.arabianknightonline.com – which entertains and engages readers with regular updates on noteworthy events, products and news concerning business aviation, banking, property, motoring, yachting, art and culture, hotels, lifestyle and of course luxury brands.

Arabian Knight is published by Al Hilal Group, one of the GCC's leading publishers based in Bahrain, whose portfolio of trade and industrial publications,

websites, trade portals and newsletters provides diverse opportunities to engage with business leaders and consumers throughout the region.

A minimum quantity of 6,000 copies of each edition are printed. Of these, 4,300 are delivered individually to our exclusive readership, with the balance distributed directly by selected organisations to their own premium clients.

The net worth of the individual Arabian Knight is impossible to quantify, however our own conservative estimates are that *Arabian Knight* magazine reaches individuals whose combined net worth exceeds **US\$300 billion**. The quality of the publication ensures a high retention value or long shelf life of each edition, our readership estimate is in excess of 50,000 for each issue.
